# CRITICAL INCIDENT POLICY AND PLAN

## Rationale

A critical incident can be defined as a sudden, unexpected and tragic event or sequence of events which causes trauma and confusion within a school community and which overwhelms its normal coping mechanism. It may affect pupils, staff, parents and governors, may relate directly to the safety of the school community or may involve an incident beyond the school premises. As a critical incident is likely to have a severe impact upon the school, both in the short and long term, our aim is to ensure that school strategies and procedures are in place to protect the physical and emotional wellbeing of every member of the Craigavon Senior High School Community

The Critical Incident Policy and Plan cannot cover every aspect of recovery from a critical incident. Occurrences may arise which cannot be foreseen or considered. The critical incident may occur during the school day, during the evening, during the school holidays or on a school trip.

It is important that the incident policy is easily understood and swings into action immediately. The following must be remembered in relation to the incident policy:

- that it is followed as closely as possible;
- that designated personnel understand their tasks and are competent to carry them out;
- that other people do not take unilateral actions;
- that consideration and sensitivity is shown by all;
- that pupils, staff and parents are protected from press intrusion;
- that normal routines be resumed as soon as possible;
- there is a realisation that total recovery may take a long time. The Critical Incident Management Team (CIMT) in association with the **EA- Southern Critical Incident Response Team (02837512515)** (has responsibility for ensuring that procedures are properly addressed at times of high emotion. If the incident involves legal action, a precise response to the incident should be known and is able to be verified by more than one person.

## Aims of the Critical Incidents Policy

1. To maintain a duty of care
2. To minimise educational and administrative disruption within school
3. To enable normal working to be resumed in the shortest possible time

## Objectives

- To ensure that swift and appropriate action is taken in the case of the school being made aware that a critical incident has occurred
- To ensure that the welfare of pupils and staff is paramount
- To ensure that the school responds in a sensitive, consistent and effective manner which reduces confusion, panic and extreme emotion
- To have in place a Critical Incident Management Team, the membership of which is known to all relevant parties (see Appendix 1)
- To have in place a Critical Incident Management Plan, the details of which are familiar to all relevant parties (see Appendix 2)
- To maintain normality, as far as possible, in parts of the school which are not affected and to restore normality as soon as possible to the parts which are affected
- To have immediate access to all relevant contact details (including outside agencies)
- To offer sensitive, non-intrusive support in the short and medium term to all those affected directly or indirectly by the incident

## **Examples of Critical incidents**

A critical incident is likely to involve death or serious injury to one or more members of the school community and, or, their families either at school, journeying to or from school, participating in a school related activity, at home or in some other context. e.g. In School:

- The death of a student or member of staff through natural causes
- An accident involving a student or member of staff
- A deliberate act of violence such as knifing or the use of a firearm
- A school fire, flood or an explosion in a laboratory e.g.

## **Out of School**

- Deaths or injuries through accidents
- Suicide
- Civil disturbance

## SAMPLE LETTER TO ALL PARENTS

Date:

Dear Parent/ Carer

It is with great sadness that I have to tell you of the sudden death of NAME, (a pupil in Year ...../ a Year ..... Teacher/ Learning Support Assistant, etc). The children were told this morning by their class teacher/ Principal at assembly.

NAME died of (an asthma attack, meningitis etc) and the children have been assured this is something that does not happen very often. Your child may or may not want to talk about it but it is likely that he/ she will need extra love and support from you in the days ahead. This does not mean that anything is wrong with him/ her. It only means that this traumatic event has been too powerful for him/ her to deal with on his/ her own. He/ she may be feeling anxious. Take time to listen to your child and try to provide a predictable routine for him/ her at home. Avoid too many absences to start with. We have enclosed an information leaflet for you which may be useful at this time.

Trained staff from the EA- Southern Critical Incident Response Team are helping to support us through this difficult time. It is sometimes necessary for a member of the team to speak to a class or individual pupils who may be distressed. He/ she will be guided by the Principal/ class teacher in this. If you do not wish your child to receive such support from the team please contact us immediately. We are deeply saddened by this great loss but are trying, for the children's sake, to keep the school environment as normal as possible.

Our thoughts are with NAME's family at this tragic time and the school community sends them sincerest sympathy and support. NAME's funeral is on DAY/ DATE at TIME am/pm at (Name of Church or Crematorium). We are in touch with the family regarding their wishes for the school's representation at the Service.
