Pupil Notes

Monday 22nd May 2017

Most of you may know by now that Mrs Woods leaves us today (Monday) after being principal here since January. We want to thank her for all her hard work, dedication and leadership she has shown during her time with us and we wish her well as she embarks on a new challenge for her as she becomes the new principal at Belfast Royal Academy.

At the same time, we welcome Dr Downing to the school as and from Wednesday as she takes up her position as the principal here. We wish her well.
